Applications must be submitted via <https://form.jotform.com/242186025511145>

The TRPA Renovated Facility Award is awarded to a park or facility that has finished a renovation within the last 12 months from the posted awards submission deadline. It may be a building, sports complex, trail, playground, splash pad, or other recreational facility. It may be indoor, outdoor or a combination of both. If the park or facility is renovated in phases, it may be submitted at the completion of any phase; additionally, a facility that is part of a larger park may be entered as a stand-alone submission (for example, a renovated tennis complex added in an existing park.)
